### Home for Christmas

Trey Waterston has been on the outside looking in for so long he nearly forgot where home is. But when he has to go back to the ranch that is his Texas birthright, he expects it to be as difficult to navigate as everything else in his life. He does not expect to find a halfhearted search afoot for a missing heiress. Beautiful and innocent Rebecca Cargill has disappeared, and nightfall--and a snowstorm--is coming. If they don't find her, she could die.

*Not on my watch.* Instinctively, and directed only by a photograph, Trey knows he is the only one who can help her. Maybe he can finally claim his legacy. But why is he suddenly so sure Rebecca is a part of it?
