Heat of the Moment (Out of Uniform Book 1) By Elle Kennedy

In this heat wave, anything and everything goes.

A *Red-Hot Summer* story.

Shelby Harper has lusted over Navy SEAL John Garrett for over a year, but no matter how many sexy signals she sends out, the man shows a complete lack of interest in getting naked. Then she overhears Garrett talking to his SEAL teammate—a discussion in which they conclude she’s vanilla. Stung, Shelby sets out to show them exactly how un-vanilla she is.

Garrett can’t believe it when sweet, sexy Shelby suggests a wild and sweaty ménage. He’s been trying to figure out how to ask her out without coming off as a guy who only wants to get in her pants—her friendship is too valuable to him to risk it. But if a crazy, heat-wave three-way is what Shelby wants, then he’s ready and willing to give it to her.

Once she gets it out of her system, however...well, then he’ll let her know he wants her all to himself.
