Editorial Review

Amazon.com Review

Hester Wyatt is a free black woman who harbors runaway slaves. Freedom fighter Black Daniel lands badly beaten on her doorstep. Hester finds herself attracted to the arrogant man. Their time together proves short and his goodbye causes her heartache. But not for long. He returns as Galen Vachon, a wealthy man accustomed to getting what he wants, and he loves and wants Hester. He showers her with gifts and attention, but his elite status means he can never marry her. She was once a slave, her stained indigo hands proof of her lowly status. When a slave catcher threatens them both, the Black Daniel comes to her rescue and forever captures her heart. A love story you won't want to miss; it touches the heart and soul.
