My Daniel By Pam Conrad

"All I want to find is one dinosaur," Daniel was saying. "And I'll find it right here. Like I do all my fossils." Wandering through the Natural History Museum with her grandchildren, Julia Creath feels the presence of her dead brother, Daniel, she remembers a time when fossil fever hit everyone, old and young -- a time when people would kill for those old bones under the ground. Julia becomes the Nebraska farm girl she once was, as she weaves together the story of the great dinosaur rush -- an adventurous tale of love and treachery, but most of all the story of her own childhood, and of the older brother she loved more than anything. Daniel had a dream that Julia shared -- and she alone would see come true.

Editorial Review

From Publishers Weekly

In PW 's words, "Conrad is at the peak of her storytelling powers" in this adventurous tale that "tautly builds suspense and culminates in a scene of epiphanic intensity." Ages 10-up.

Copyright 1991 Reed Business Information, Inc.

From School Library Journal

Grade 5-8-- When she's 80 years old, Julia Summerwaithe decides to visit her grandchildren, Ellie and Stevie, in New York City, for the first time. She has something important to show them; in the Natural History Museum is the dinosaur she and her brother discovered on their farm in Nebraska when they were young. But even more important to Julia than seeing the dinosaur is sharing her memories of the discovery and excavation with her grandchildren. Through their grandmother's description of her rugged prairie childhood, her brother's untimely death, and the discovery of the dinosaur fossil, Ellie and Steve relive their grandmother's childhood adventures. Readers will be drawn into Julia's story, just as her grandchildren are, until her memories become more involving than modern-day surroundings. Although this book has less historical basis than Lasky's *The Bone Wars* (Morrow, 1988), the characterization of the grandmother makes the story more believable and more memorable. It's a shame that the other characters in this book, including the grandchildren, aren't as well defined as Julia. And the racist portrayal of an evil fossil collector's female companion is inexcusable in such an otherwise well written story. --Cathryn A. Camper, Minneapolis Public Library

From reader reviews:

Irene Gonzales:

A lot of people always spent their own free time to vacation or even go to the outside with them family members or their friend. Do you realize? Many a lot of people spent these people free time just watching TV, or even playing video games all day long. If you would like try to find a new activity this is look different you can read the book. It is really fun for you personally. If you enjoy the book which you read you can spent the entire day to reading a guide. The book *My Daniel* it is rather good to read. There are a lot of people that recommended this book. These were enjoying reading this book. In the event you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore simply to read this book from a smart phone. The price is not to cover but this book features high quality.

Sandra Byrom:

Many people spending their moment by playing outside with friends, fun activity along with family or just watching TV 24 hours a day. You can have new activity to invest your whole day by reading a book. Ugh,

do you think reading a book really can hard because you have to bring the book everywhere? It okay you can have the e-book, bringing everywhere you want in your Smart phone. Like My Daniel which is finding the e-book version. So , why not try out this book? Let's notice.

Deborah Walker:

This My Daniel is fresh way for you who has attention to look for some information as it relief your hunger info. Getting deeper you onto it getting knowledge more you know or else you who still having bit of digest in reading this My Daniel can be the light food for yourself because the information inside this specific book is easy to get by anyone. These books create itself in the form that is reachable by anyone, sure I mean in the e-book type. People who think that in reserve form make them feel drowsy even dizzy this book is the answer. So there is absolutely no in reading a e-book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book variety for your better life as well as knowledge.

John Martindale:

That guide can make you to feel relax. This specific book My Daniel was multi-colored and of course has pictures on the website. As we know that book My Daniel has many kinds or style. Start from kids until teens. For example Naruto or Private investigator Conan you can read and think you are the character on there. So , not at all of book are usually make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for yourself and try to like reading that will.
