Shards of Honor (Vorkosigan Saga Book 2) By Lois McMaster Bujold

When Cordelia Naismith and her survey crew are attacked by a renegade group from Barrayar, she is taken prisoner by Aral Vorkosigan, commander of the Barrayan ship that has been taken over by an ambitious and ruthless crew member. Aral and Cordelia survive countless mishaps while their mutual admiration and even stronger feelings emerge. A science fiction romance by a Hugo and Nebula Award winning master. Bujold's SHARDS OF HONOR is the first book in her SF universe to feature the Vorkosigan clan, followed by the Hugo award-winning BARRAYAR. The Nebula award-winning FALLING FREE precedes it by internal chronology in the same future history.

Lois McMaster Bujold was born in 1949, the daughter of an engineering professor at Ohio State University, from whom she picked up her early interest in science fiction. She now lives in Minneapolis, and has two grown children. She began writing with the aim of professional publication in 1982. She wrote three novels in three years; in October of 1985, all three sold to Baen Books, launching her career. Bujold went on to write many other books for Baen, mostly featuring her popular character Miles Naismith Vorkosigan, his family, friends, and enemies. Her books have been translated into twenty-one languages. Her fantasy from Eos includes the award-winning Chalion series and the Sharing Knife series.

Editorial Review

Amazon.com Review

Cordelia Naismith, Betan Survey Captain, was expecting the unexpected: hexapods, floating creatures, odd parasites... She was not, however, expecting to find hostile humans on an uninhabited planet. And she wasn't really expecting to fall in love with a 40-plus barbarian known to cosmopolitan galactics as the Butcher of Komarr. Will Mother ever understand? And can such an odd beast as love survive an interplanetary war?

Review

"[Bujold] gives [her] characters enough emotional depth, and enough sense, to raise their story beyond cliché." --*Locus*

"Bujold has a nice hand with the complications . . . All in all, *Shards* is a worthy effort, and worth reading for any fan of SF romance." --*Analog*
