The Messenger By Daniel Silva

Allon is recovering from his grueling showdown with a Palestinian master terrorist, when terrorism comes to find him once again. An al-Qaeda suspect is killed in London, and photographs are found on his computer-photographs that lead Israeli intelligence to suspect that al-Qaeda is planning one of its most audacious attacks ever. To Allon, there is something terribly familiar about the information, something horrifyingly close--but even he does not realize how close. Urgently, he throws himself into the hunt, but there may simply not be enough of anything: enough time, enough facts, enough luck. An extraordinary enemy walks among them . . . and he's just getting started.

Filled with remarkable characters and breathtaking double and triple turns of plot, *The Messenger* solidifies Silva's reputation as his generations' finest writer of international thrillers.

Editorial Review

From Publishers Weekly

Bestseller Silva continues to warrant comparisons to John le Carré, as shown by his latest thriller starring Israeli art restorer and spymaster Gabriel Allon. Ahmed bin Shafiq, a former chief of a clandestine Saudi intelligence unit, targets the Vatican for attack, in particular Pope Paul VII and his top aide, Monsignor Luigi Donati, who both appeared in Silva's previous novel, *Prince of Fire*. Shafiq, who now heads his own terrorist network, is allied with a militant Islamic Saudi businessman known as Zizi, a true believer committed to the destruction of all infidels. Gabriel's challenge is to infiltrate Zizi's organization, a task he assigns to a beautiful American art expert, Sarah Bancroft. Gabriel promises he'll protect her, but plans go awry, and by the end Sarah faces torture and death. While Sarah's fate is never in doubt, the way Silva resolves his plot will keep readers right where he wants them: on the edges of their seats.

The five previous spy thrillers featuring Gabriel Allon addressed topics including the Munich Olympics massacre, Yasir Arafat, and the Vatican. *The Messenger*, about global terrorism and Islamic fundamentalism, resounded just as loudly with critics. Fortunately, Daniel Silva has also written an ingenious, thrilling, and entertaining book with complex characters and settings, from London and Jerusalem to Rome, that serve the plot well. While one critic cited Silva's bias toward Israel, the majority felt that the author created characters with different perspectives and left readers to form their own opinions. In the end, they agreed that "Gabriel Allon remains one of the most intriguing heroes of any thriller series" (*Philadelphia Inquirer*).

Starred Review A terrorist bombing in St. Peter's Square leaves hundreds dead, the Pope injured, and the Basilica a ghastly, smoking pile. This tragedy confirms what began in London weeks before when a traffic accident killed a talent scout for al-Qaeda, leaving his briefcase, filled with surveillance photos of the Vatican, in the hands of Israeli agents. Silva's series hero, Gabriel Allon, is at the center of this fast-paced, completely absorbing international spy thriller. Allon is an art restorer and sometime spy. While restoring Old Masters is Allon's passion (and a wonderful source of intriguing details about the art world), he is called back into service from time to time. Allon's double life began in the aftermath of the Olympic massacre in 1972, when he was recruited to hunt down the Israeli athletes' killers. His sense of urgency in thwarting terrorism was brought into play by the deaths of his wife and infant son in a car bombing 13 years before. What makes this series fascinating is the interplay between standard spy-thriller fare of glamorous locales (here, the action breaks in Rome, Venice, Jerusalem, Paris, and D.C.), double and triple crosses, and justified paranoia with the passionate, tragic figure of Allon himself. An engrossing and beautifully written contemporary spy thriller. *Connie Fletcher*
