Trading Secrets: Killer trading strategies to beat the markets and finally achieve the success you deserve By Louise Bedford

A practical, informative, and accessible guide to getting started in trading

Louise Bedford has been coaching and mentoring traders for almost twenty years, and in *Trading Secrets, Third Edition* she's back to share what she's learned. Whether you're just starting out in the trading world, or you're an old hand looking for some new tricks, this book is for you. Packed with everything you need to get in on the action and consistently profit from the markets, *Trading Secrets* is your personal coach to becoming a trading mastermind.

Designed to educate, motivate, and guide you through the sometimes confusing world of trading, the book shows you how to set up a trading business and, most importantly, master your number one trading foe; yourself. Known for her witty and entertaining style, Bedford has demystified the world of share trading for thousands of investors and traders, and you're next.

- Brings together the processes, careful planning, and risk control techniques that Bedford has used throughout her own successful trading career
- Offers fascinating insights into everything from how to handle a windfall profit to why men and women trade differently
- Includes end-of-chapter review materials, essential for helping you master the material
