Dear John By Nicholas Sparks

FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR

An angry rebel, John dropped out of school and enlisted in the Army, not knowing what else to do with his life--until he meets the girl of his dreams, Savannah. Their mutual attraction quickly grows into the kind of love that leaves Savannah waiting for John to finish his tour of duty, and John wanting to settle down with the woman who captured his heart. But 9/11 changes everything. John feels it is his duty to re-enlist. And sadly, the long separation finds Savannah falling in love with someone else. "Dear John," the letter read...and with those two words, a heart was broken and two lives were changed forever. Returning home, John must come to grips with the fact that Savannah, now married, is still his true love--and face the hardest decision of his life.

From Publishers Weekly

Hot on the heels of *True Believer* and sequel *At First Sight*, Sparks returns with the story of ne'er-do-well-turned-army-enlistee John Tyree, 23, and well-to-do University of North Carolina special education major Savannah Lynn Curtis. John, who narrates, has been raised by a socially backward single postal-worker dad obsessed with coin collecting (he has Asperger's syndrome). John bypasses college for the overseas infantry; Savannah spends her college summers volunteering. When they meet, he's on leave, and she's working with Habitat for Humanity (he rescues her sinking purse at the beach). John has a history of one-night stands; Savannah's a virgin. He's an on-and-off drinker; she's a teetotaler. Attraction and values conflict the rest of the summer, but the deal does not close. Savannah longs for John to come home; her friend Tim longs to have a relationship with her. On the brink of John and Savannah's finally getting together, 9/11 happens, and John re-ups. Savannah's letters come less and less frequently, and before you know it, he receives the expected "Dear John" letter. Sparks's novel brims with longing. (*Oct. 30*)

John Tyree is on the fast track to nowhere. At 20 he has no real relationship with his strange and dispassionate father, no attachments to anyone else, and no job, so after breaking up with his girlfriend, he decides to join the army. Military life does alter him, yet he remains disconnected. While home visiting his father in Wilmington, North Carolina, however, he meets Savannah Curtis, a college coed who is everything he is not. A warm, morally straight-ahead woman with a commitment to special education, she captures John's heart and he hers. In the short time they spend together, he opens up to Savannah and true love develops as they plan for a future. Then September 11 changes everything. John feels that it is his duty to renew his commitment to the army, while Savannah wants him home with her. The good soldier now lives in dread of receiving a "Dear John" letter. Sparks, a perennially popular novelist whose name is synonymous with romance and bittersweet endings and whose work translates so readily to movies, lives up to his reputation with his latest novel, a tribute to courageous and self-sacrificing soldiers. *Patty Engelmann*

Users Review

From reader reviews:

Angela Powers:

What do you consider book? It is just for students as they are still students or it for all people in the world, what best subject for that? Merely you can be answered for that question above. Every person has diverse personality and hobby for every other. Don't to be pushed someone or something that they don't want do that. You must know how great and important the book Dear John. All type of book could you see on many resources. You can look for the internet methods or other social media.

Patrick Adkins:

Reading a book tends to be new life style in this era globalization. With reading through you can get a lot of information which will give you benefit in your life. Along with book everyone in this world could share their idea. Books can also inspire a lot of people. A lot of author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the publications. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors in this world always try to improve their talent in writing, they also doing some analysis before they write to their book. One of them is this Dear John.

Angel Gardner:

This Dear John is completely new way for you who has intense curiosity to look for some information mainly because it relief your hunger of knowledge. Getting deeper you into it getting knowledge more you know or you who still having small amount of digest in reading this Dear John can be the light food in your case because the information inside this kind of book is easy to get simply by anyone. These books produce itself in the form that is reachable by anyone, yeah I mean in the e-book web form. People who think that in reserve form make them feel sleepy even dizzy this e-book is the answer. So there is no in reading a reserve especially this one. You can find actually looking for. It should be here for you. So , don't miss that! Just read this e-book style for your better life and also knowledge.

Malcolm Moser:

Reading a book make you to get more knowledge from it. You can take knowledge and information from the book. Book is prepared or printed or descriptive from each source which filled update of news. On this modern era like currently, many ways to get information are available for anyone. From media social just like newspaper, magazines, science reserve, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just in search of the Dear John when you necessary it?
