Genie in a Bottle (Whatever After #9) (Whatever After (Hardcover)) By Sarah Mlynowski

Be careful what you wish for...

When my brother, Jonah, and I travel through our mirror into the story of *Aladdin*, we're excited. There will be magic lamps and genies granting wishes. Right?

Wrong.

The genie we meet isn't QUITE as helpful as we expected. And if Aladdin's wishes don't come true, he won't get to marry the princess and live happily ever after!

Now we have to:

- Escape an enchanted cave
- Find forty buckets of jewels
- Plan a parade
- Learn to fly a magic carpet

Otherwise we'll run out of wishes... and never get home!
