Jørgen Bo & Vilhelm Wohlert: Louisiana Museum, Humlebaek (Opus) By Michael Brawne

Early in their careers, Jørgen Bo and Vilhelm Wohlert took on the expansion of a villa on the coast outside Copenhagen, the Louisiana Museum, which wanted more space for modern art. The first stage was completed in 1958 and the last in 1991. The additions that continued in between, which are everywhere acknowledged as masterful, model both the growth of a remarkable institution and shifting attitudes about the display of art.

Sheila Dickerson:

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library as well

as to make summary for some guide, they are complained. Just very little students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Jørgen Bo & Vilhelm Wohlert: Louisiana Museum, Humlebaek (Opus) can make you experience more interested to read.
