Editorial Review

Review

Brilliant! I wanted an edition with 'fairly' detailed notes and this edition provided it. Notes are written on the same page as the text for ease of reference. Good intro too. Recommended. 5 star Amazon review

From the Publisher

An exciting new edition of the complete works of Shakespeare with these features: Illustrated with photographs from New York Shakespeare Festival productions, vivid readable readable introductions for each play by noted scholar David Bevington, a lively personal foreword by Joseph Papp, an insightful essay on the play in performance, modern spelling and pronunciation, up-to-date annotated bibliographies, and convenient listing of key passages.

From the Inside Flap

Magic, love spells, and an enchanted wood provide the materials for one of Shakespeare's most delightful comedies. When four young lovers, fleeing the Athenian law and their own mismatched rivalries, take to the forest of Athens, their lives become entangled with a feud between the King and Queen of the Fairies. Some Athenian tradesmen, rehearsing a play for the forthcoming wedding of Duke Theseus and his bride, Hippolyta, unintentionally add to the hilarity. The result is a marvelous mix-up of desire and enchantment, merriment and farce, all touched by Shakespeare's inimitable vision of the intriguing relationship between art and life, dreams and the waking world.

Each Edition Includes:

- Comprehensive explanatory notes
- Vivid introductions and the most up-to-date scholarship
- Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English
- Completely updated, detailed bibliographies and performance histories
- An interpretive essay on film adaptations of the play, along with an extensive filmography
