Self and Society: A Symbolic Interactionist Social Psychology (11th Edition)

By John P. Hewitt, David Shulman

Self and Society is a clearly written, up-to-date, and authoritative introduction to the symbolic interactionist perspective in social psychology and in sociology as a whole. Filled with examples, this book has been used not only in the classroom, but also cited in literature as an authoritative source. Self and Society is not a distillation of textbook knowledge, but rather, a thoughtful, well-organized presentation that makes its own contribution to the advancement of symbolic interactionism.

Editorial Review

From the Back Cover

Self and Society is a clearly written, up-to-date, and authoritative introduction to the symbolic interactionist perspective in social psychology and in sociology as a whole. Filled with examples, this book has been used not only in the classroom, but also cited in literature as an authoritative source. Self and Society is not a distillation of textbook knowledge, but rather, a thoughtful, well-organized presentation that makes its own contribution to the advancement of symbolic interactionism.

About the Author

John P. Hewitt is Professor (Emeritus) of the University of Massachusetts at Amherst. He received his PhD in Sociology from Princeton University.

David Shulman is an Associate Professor and Department Head of Anthropology and Sociology at Lafayette College. He received his PhD in Sociology from Northwestern University. He is author of From Hire to Liar: The Role of Deception in the Workplace (Cornell University Press, 2007), co-author (with Gary Alan Fine) of Talking Sociology 5th edition (Allyn and Bacon, 2002) and co-editor (with Ira Silver) of Academic Street Smarts: Informal Professionalization of Graduate Students (American Sociological Association 2008). His scholarship addresses the subjects of deception, impression management and symbolic interaction.

Users Review

From reader reviews:

Doris Trumbull:

With other case, little individuals like to read book Self and Society: A Symbolic Interactionist Social Psychology (11th Edition). You can choose the best book if you love reading a book. So long as we know about how is important a new book Self and Society: A Symbolic Interactionist Social Psychology (11th Edition). You can add expertise and of course you can around the world by a book. Absolutely right, simply because from book you can realize everything! From your country right up until foreign or abroad you will end up known. About simple matter until wonderful thing you could know that. In this era, we could open a book or searching by internet product. It is called e-book. You should use it when you feel bored to go to the library. Let's examine.

Steven Murray:

Book is usually written, printed, or illustrated for everything. You can understand everything you want by a publication. Book has a different type. We all know that that book is important issue to bring us around the world. Alongside that you can your reading expertise was fluently. A e-book Self and Society: A Symbolic Interactionist Social Psychology (11th Edition) will make you to always be smarter. You can feel a lot more confidence if you can know about anything. But some of you think this open or reading a book make you

bored. It's not make you fun. Why they are often thought like that? Have you in search of best book or ideal book with you?

Patrick Leon:

What do you think of book? It is just for students as they are still students or it for all people in the world, the particular best subject for that? Simply you can be answered for that question above. Every person has different personality and hobby for each other. Don't to be pressured someone or something that they don't wish do that. You must know how great in addition to important the book *Self and Society: A Symbolic Interactionist Social Psychology* (11th Edition). All type of book can you see on many solutions. You can look for the internet options or other social media.

Richard Kowalski:

Reading a reserve tends to be new life style within this era globalization. With reading you can get a lot of information that can give you benefit in your life. Using book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire all their reader with their story or their experience. Not only the storyplot that share in the ebooks. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some study before they write to their book. One of them is this *Self and Society: A Symbolic Interactionist Social Psychology* (11th Edition).
