### Editorial Review

#### Review

"The combination of contemporary literature and classic standards and the material on writing about literature are what set this text apart."

-- Floyd Brigdon, Trinity Valley Community College

"Meyer reinforces the approach I encourage in class -- close reading: and critical writing. The coverage of writing and literary research and the sample papers are especially helpful to my students."

-- Lesley Clement, Medicine Hat College

"I love the visual portfolios that connect literature with popular culture. They intrigue my students and help them connect what they read with 'real life.'"

--Janele D. Johnson, Pikes Peak Community College
