The Pirate Pig By Cornelia Funke

The beloved and bestselling author of *Inkheart* brings imagination, adventure, and humor to a swashbuckling full-color chapter book!

Who needs a treasure map when you have a pirate pig with a nose for gold? Stout Sam and his deckhand, Pip, find a pig washed up in a barrel on the beach. They want to keep her as a pet, but they soon realize Julie is no ordinary pig. She can sniff out treasure! What happens if Barracuda Bill, the greediest and meanest pirate who ever sailed the seas, hears about Julie's special talent?

Cornelia Funke's charming and fun chapter books are available to an American audience for the very first time.

From the Hardcover edition.

Editorial Review

From School Library Journal

Gr 1–3—Two sailors find a pig washed ashore in a barrel, and much to their surprise, she can sniff out sunken treasure in the sea. Everything seems wonderful, with the sailors taking just enough treasure to meet their needs. When word starts spreading about this talented pig, however, the sailors discover she was trained by pirates—pirates who will do their best to get their pig back after hearing rumors about the wealth she's uncovered. Funke has written a simple, fun story with plenty of humor and adventure. The translation is smart, with great vocabulary throughout. Although this is essentially a beginning chapter book, there are no chapter breaks, which may prove daunting for newly independent readers. **VERDICT** *The Pirate Pig* deserves a spot on early chapter book shelves alongside her porcine cousin, *Mercy Watson to the Rescue* (Candlewick, 2005).—Amy Koester, Learning Experiences Department, Skokie PL

Users Review

From reader reviews:

Sheila Lefevre:

What do you with regards to book? It is not important to you? Or just adding material if you want something to explain what the ones you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? Every person has many questions above. They should answer that question simply because just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on kindergarten until university need this specific *The Pirate Pig* to read.

Jeffrey Spencer:

In this 21st millennium, people become competitive in most way. By being competitive at this point, people have do something to make them survives, being in the middle of the crowded place and notice simply by surrounding. One thing that oftentimes many people have underestimated that for a while is reading. Yes, by reading a e-book your ability to survive raise then having chance to stand up than other is high. For you who want to start reading the book, we give you that *The Pirate Pig* book as starter and daily reading e-book. Why, because this book is greater than just a book.

Sandra Brown:

A lot of people always spent all their free time to vacation as well as go to the outside with them family members or their friend. Do you know? Many a lot of people spent they will free time just watching TV, or even playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read a book. It is really fun to suit your needs. If you enjoy the book which you read you can spent all day long to reading a e-book. The book The Pirate Pig it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. If you did not have enough space to deliver this book you can buy the e-book. You can m0ore very easily to read this book through your smart phone. The price is not too costly but this book offers high quality.

Walter Burchett:

People live in this new time of lifestyle always try to and must have the time or they will get lot of stress from both lifestyle and work. So , whenever we ask do people have free time, we will say absolutely sure. People is human not a robot. Then we ask again, what kind of activity do you possess when the spare time coming to an individual of course your answer will probably unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative in spending your spare time, typically the book you have read is usually The Pirate Pig.
