Editorial Review

Review

Ana Paula Rimoli is synonymous with amigurumi. *Amigurumi Toy Box* is her third book of cute crocheted friends. She has also published *Amigurumi World* and *Amigurumi Two!* For those of you who don't know what amigurumi is; it is the Japanese art of crocheting small stuffed toys, animals and inanimate objects with facial features. In Japanese "ami" means crocheted and "nigurumi" means a stuffed doll.

Ana Paula first started crocheting as a child. With two children of her own, she was inspired to create these toys. In this book there are 25 adorable toys to crochet and fill up a child's toy box.

The book is filled with clear vignettes of toys posed in artful surroundings. Simple crochet skills are required to complete the projects. Illustrations are included to teach yourself the required crochet stitches. Finishing techniques of stuffing, adding extremities and weaving in the ends etc. are included.

Flan, hot cocoa, cake and a hot dog set are perfect for the child who likes to play house. I especially liked the Little Bunny in the Carrot home. Santiago (my little Boston Terrier) and Little Kitten are perfect for imagine play and they each have a bed. If you love Unicorns, Shy Little Unicorn is pretty with her rainbow mane. Mom koala has a detachable baby on her back and there is also a Mom and baby polar bear with a fishing rod and hat.

This may be just the book to start getting a child interested in learning to crochet. Amigurumi is popular and getting more so. Ravelry has several amigurumi groups you can join. Joining a group is always a fun way to show what you have created. --Paula Moliver, Hartford Knitting Examiner

About the Author

Ana Paula Rímoli was born in Montevideo, Uruguay, and learned to crochet as a child. She began crocheting toys when her own children were born and now hosts her own popular website featuring her crocheted designs. The toy collection is growing and growing, slowly taking over the whole house!

Users Review

From reader reviews:

Scott Barbour:

Information is provisions for anyone to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even restricted. What people must be consider if those information which is in the former life are challenging to be find than now is taking seriously which one works to believe or which one often the resource are convinced.
