## **Editorial Review**

From Library Journal

A little girl revealing secrets as only a child can; a witch flies at dawn over a small town?these are just two of the scenarios presented by Cisneros in this collection of short stories. A writer of vivid imagination, with a very acute sense of mysticism and a witty poetic style, Cisneros not only entertains but leaves a lasting impression. A key work from a major Hispanic American writer; recommended for public libraries. ?Jose M. Fornes
