Editorial Review

From Publishers Weekly

In this scintillating romantic thriller from bestseller Robards (*Obsession*), Kate White, a single mother and Philadelphia ADA, is embarrassed in court when her cellphone goes off during a trial. Just then the defendant pulls out a pistol and starts shooting, killing the judge. The terror-stricken Kate fears for her life and the future of her young son, Ben, should she die in the melee. After being taken hostage, Kate escapes, supposedly by killing her captor. Kate soon discovers that her past as a troubled foster child has caught up to her. Someone tries to break into her home, while someone else follows her, threatening her and Ben. Det. Tom Braga, who investigates the courtroom shooting, is firmly convinced that Kate didn't kill her captor. Kate's vulnerability appeals to Tom's protective nature, drawing the pair together in a heated affair. Robards once again shows her flair for coupling first-rate suspense with multidimensional characters. (*Apr.*) Copyright © Reed Business Information, a division of Reed Elsevier Inc. Single mother Kate White has had to travel a long, hard road to become a prosecutor in Philadelphia. A foster child, she had trouble with the law, culminating in a brutal incident at a Baltimore convenience store involving her friends. The birth of her son Ben changed her, and she put herself through college and law school, only to, once again, end up at the wrong place at the wrong time with the same wrong friends. During a routine trial, chaos erupts as the defendant attempts to escape, and Kate is taken hostage. After the murder and mayhem, Kate walks away a hero, but Detective Tom Braga senses that there is more to her story. Tom almost lost his brother in the melée, and although he is very attracted to Kate, he is determined to find out what she's concealing. *Guilty* is truly a pleasure as the ever-popular and prolific Robards gives her readers an especially exciting, top-notch tale of romantic suspense. --Patty Engelmann
