**Lady Sophia's Lover (Bow Street Series Book 2)** By Lisa Kleypas

*Why is Lady Sophia looking for a lover?*

*And*

*could she seduce the most marriageable man in London?*

Lady Sophia Sydney would do anything to ensnare the unattainable Sir Ross Cannon. Her goal—to ruin his reputation and cause a scandal that would be the talk of all London. So she insinuates herself into his life by gaining his trust and living in his house.

Every morning, her lush presence tempts him beyond all reason...the way she bends over the table to serve him the meals she has prepared...the way her hands oh, so gently—yet sensuously—brush against him. Every night, she promises with her eyes—and her body—that the hours before dawn could be spent in unbridled passion instead of restless sleep—if only he'd let her share his bed.

She knows he is falling more in love with her each day. But she never counted on falling in love with him. And she never dreamed he might very respectably ask for her hand in marriage...

Are you ready to be seduced by *New York Times* Bestselling author Lisa Kleypas and her most compelling love story yet?

## **Editorial Review**

From Publishers Weekly

Against the grit and glamour of London's crime-fighting Bow Street operation, Kleypas weaves an exceptional early-Victorian-era romance that is driven by much more than mere sexual attraction and sizzling loves scenes (of which there are plenty here). Political, social and familial conflicts heat up this story, and not all of the resolutions come easily. Ever since her younger brother died in prison, Sophia Sydney has had one goal in mind to find the magistrate who sent her brother to prison, worm her way into his office and his heart and then destroy him both politically and emotionally. Handsome Ross Cannon, London's most powerful and irreproachable magistrate, is not the hard-hearted devil she had expected, however. Known as the Monk of Bow Street for his celibacy following his wife's death, Ross is fair and forgiving, which Sophia soon learns when she takes up a position as his office clerk and housekeeper. The chemistry between the pair is palpable, but several obstacles stand in the way of their happiness, not the least of which is the shadow of Sophia's brother. With the exception of Sophia, who is given to histrionics, Kleypas's characters are well drawn and refreshingly levelheaded. Even her villain, a famed thieftaker, displays surprising dimensions. Through deft plotting and simple yet stylish prose, Kleypas distinguishes herself as a master of her craft.
