Editorial Review

Review

It provides one of the more thorough and complete reviews of contemporary social work practice theories. I am as enthusiastic about this text today as I was when I received the manuscript of the first edition over 13 years ago. The text has only become richer and once again, Malcolm Payne has provided a stimulating contribution to our profession. --Stephen C. Anderson, New Mexico State University

About the Author

Malcolm Payne is the director of psycho-social and spiritual care at St. Christopher's Hospice in London. He is emeritus professor at Manchester Metropolitan University, United Kingdom. He has been extensively involved in international social work, leading and working on projects to develop social work and social policy in Russia, China, and Eastern Europe. He has written 10 books and 250 shorter works published in 13 languages.

Users Review

From reader reviews:

Amber Payne:

What do you consider book? It is just for students since they're still students or that for all people in the world, exactly what the best subject for that?
