### On the Bright Side, I'm Now the Girlfriend of a Sex God (Further Confessions of Georgia Nicolson) By Louise Rennison

Georgia Nicolson has started dating the Sex God (aka Robbie). So life should be perfect . . . except in Georgia's life, nothing is ever perfect. Her cat, Angus (the size of a small Labrador), is terrorizing the neighborhood. Her sister, Libby (who is slightly mad), hides her poeey knickers at the bottom of Georgia's bed.

Then the Sex God breaks it off because she's too young. It's time for a plan. It's time for a Red Herring. It's time for Georgia to become a "heartless boy magnet!"

**Editorial Review**

Amazon.com Review

Fourteen-year-old Georgia Nicolson is back in British author Louise Rennison's irreverent, laugh-out-loud sequel to the Michael L. Printz Honor Book *Angus, Thongs, and Full-Frontal Snogging*. Written in diary form, these truly hilarious books chronicle the often minute-by-minute, very dramatic, and significant flip-flops of a teenager's psyche.

7:18 p.m.

My eyes are all swollen up like mice eyes from crying. Even my nose is swollen. It's not small at the best of times, but now it looks like I've got three cheeks. Marvelous. Thank you, God.

9:00 p.m.

I'll never get over this.

9:10 p.m.

Time goes very slowly when you're suicidal.

What tragedy has her so distraught? Her parents have told her she's moving to New Zealand just when she's managed to snog (kiss--look it up in the glossary) the SG (Sex God, a.k.a Robbie). This is of course not the only source of drama in Georgia's eventful life. Her half Scottish wildcat, Angus, who is the size of a small Labrador, herds the poodles next door and terrorizes the neighborhood. Her little sister, Libby, who is slightly mad, stores her "pooley knickers" and her scuba-diving Barbie doll in Georgia's bed. Her mother (from whom she inherited her orangutan eyebrow gene and possibly her "gigantic basoomas") is clearly inhabiting Earth solely to make her life miserable, and even her best friend Jas is "half girl, half turnip."

Despite the fact that she's spared from going to "Kiwi-a-gogo land," things don't get much better for Georgia. She's suspended for a childish prank right before her dad returns from New Zealand, she falls in love with the SG who dumps her for being too young, and Dave, the "red-herring" boyfriend she's using to make the SG jealous calls her a "heartless whatsit." And, she continues, "the spot on my bum is probably a boil. I wonder what Buddha would do now?" Rennison's comedic timing is brilliant. Adolescent angst ("I hope I am not driven to the brink of madness by grief") vanishes less than an hour later ("Angus can fetch sticks!!!") and sometimes even sooner. (Warning: Do not read this book while riding a train or bus unless you don't care what people think of intermittent explosive laughter. Seriously.) (Ages 12 and older)  
--Karin Snelson

From Publishers Weekly

"Georgia Nicolson's laugh-a-minute narration picks up right where it left off in *Angus, Thongs and Full-Frontal Snogging*," said PW in a starred review. "Fans will not be disappointed." Ages 10-up. (May)

From School Library Journal

Gr 7-9-This sequel to *Angus, Thongs and Full-Frontal Snogging* (HarperCollins, 2000) hilariously captures the obsessions and lifestyle of a 14-year-old. Georgia has a mad crush on 17-year-old Robbie, the SG, Sex God, and the story turns on her moment-by-moment fantasies about him and how she might snare him. The narrative unfolds in diary form, in which she reveals the nuances of her daily dramas at school, at home with her mother and younger sister, with her best friend, and with her surrogate boyfriend. Set in England, Georgia's story gathers humor from her quirky use of language and English slang. In fact, readers can refer to the glossary to check on the meanings of words like "snogging" (kissing), "gob" (mouth), and "lippy" (lipstick). *On the Bright Side* is a funny romp through the intricacies of one especially explosive period of growing up and will be devoured by girls on the brink of becoming teenagers and those who are living in the thick of it now.-Mara Bright, Mark's Meadow School, Amherst, MA
