## Editorial Review

Review

**‘Even the best strategic brand positioning is likely to run astray without the execution of a superbly integrated marketing communication plan. Dr Percy offers such a plan in a lucid, insightful and well organized text, through examples and deep insights explaining the indispensable elements in a step-by-step way. The text is very readable and at the same time provides an excellent integration of theoretical depth with practical savviness. Where other texts merely offer a how-to make an IMC plan Dr Percy goes much deeper; stimulating reflection as well as answering important conceptual why-questions. This book will also serve as an excellent reference text for when students enter the workplace.’** – *Professor Torsten Ringberg, Department of Marketing Management, Copenhagen Business School, Denmark*

**‘A most valuable presentation of the most important tools of IMC and how they relate to companies’ branding strategy through a knowledgeable eye’** - *Dr Natalia Yannpoulou, Senior Lecturer, Newcastle University, Business School, UK*
