The Forgotten (John Puller) By David Baldacci

In Paradise, nothing is what it seems...

THE FORGOTTEN

Army Special Agent John Puller is the best there is. A combat veteran, Puller is the man the U.S. Army relies on to investigate the toughest crimes facing the nation. Now he has a new case--but this time, the crime is personal: His aunt has been found dead in Paradise, Florida.

A picture-perfect town on Florida's Gulf Coast, Paradise thrives on the wealthy tourists and retirees drawn to its gorgeous weather and beaches. The local police have ruled his aunt's death an unfortunate, tragic accident. But just before she died, she mailed a letter to Puller's father, telling him that beneath its beautiful veneer, Paradise is not all it seems to be.

What Puller finds convinces him that his aunt's death was no accident . . . and that the palm trees and sandy beaches of Paradise may hide a conspiracy so shocking that some will go to unthinkable lengths to make sure the truth is never revealed.

Editorial Review

Review

"Another fast paced page turner that will keep you glued to the couch...by an author who continues to stand out in the increasingly crowded thriller field." *Examiner.com*

"Baldacci is a master when it comes to writing about small-town conspiracies and a lone hero who fights against all odds to clean up corruption. The narrative moves slowly, so the reader has a chance to solve the case along with Puller. It might seem straightforward, but the final reveal will surprise even hardcore thriller junkies." *The Washington Post*

"Rife with intriguing, memorable characters and tense situations....deftly providing solid escapism in an exceptionally fast-pace tale." *Lansing State Journal*

"*The Innocent* is Baldacci at his absolute best...Baldacci provides the reader a non-stop pulse pounding ride that will keep you on the edge of your seat into the wee hours of the morning...Five Stars." *Examiner.com*

"This book is a definite one-day, 'edge-of-your-chair' read, with an ending that is a complete surprise. One of the best Baldacci's since *Absolute Power*, this is one that will have all suspense readers enthralled." *Suspense Magazine on The Innocent*

"Baldacci's palpable tension keeps the pages turning-and leaves you eager for the next in this new series." *The Star-Ledger on Zero Day*

"Readers expect excitement and intrigue in David Baldacci's books, and *Zero Day* is no exception...As Baldacci's new hero narrowly escapes countless close calls, the pairing of the author's imagination and knowledge create a wild ride for the reader. Puller is gutsy, brash and likable. Best of all, he survives to reappear in the next book of this new series." *The Free-Lance Star on Zero Day*
