Cold Harbour (Dougal Munro & Jack Carter) By Jack Higgins

May 1944. The eve of the Allied invasion of Europe. When American OSS agent Craig Osbourne is taken aboard a German E-boat off the coast of Brittany, he thinks that his war – and possibly his life – are over. But the Lili Marlene is actually operated by the Royal Navy out of an ultrasecret base on the English coast. And it will soon be returning Osbourne – a highly trained assassin – to occupied France. There, he will help the beautiful twin sister of a dead British agent infiltrate a German High Command briefing on the defense of the Atlantic Wall. Nothing will prevent the coming Allied assault – but its success may well depend on the outcome of this mission...

Editorial Review

From Publishers Weekly

In his latest thriller, Higgins (*The Eagle Has Landed*) returns to familiar territory with nothing very new to offer. As D-day approaches in Europe, the Allied command learns of a German staff conference to be held in Brittany at the Chateau de Voincourt, where the Nazis will discuss their Atlantic Wall defense strategy. Foreknowledge of these plans could mean the difference between success and failure for the Allied invasion, and as luck would have it, the chateau happens to be the home of an undercover French Resistance agent, beautiful Anne-Marie Trevaunce, so there is every chance that the good guys will succeed in stealing them. When Anne-Marie is incapacitated, luck comes to the fore once again: she just happens to have an identical twin sister living in England who is persuaded to take her place. Fortuitous turns are the norm in this improbable story, as cardboard heroes pull off miraculous rescues, double agents lurk everywhere and villains in uniform serve on both sides of the conflict. The author's reputation for entertaining thrillers will not be enhanced by this effort.

Review

"A clever, twisty, adventure told at full-speed ahead...two thumbs up for suspense and satisfaction."

About the Author

Jack Higgins lives on Jersey in the Channel Islands.
