Curious George Colors Eggs Early Reader By H. A. Rey

George explores the wonderful world of color, but can he do it without getting messy?

While dyeing eggs with Steve and Betsy, George accidentally falls into a pot of food coloring and turns yellow! Remembering his promise to the man with the yellow hat to stay clean, George experiments with the different dye colors to see which ones he can mix to turn him brown again. But can George right things before his friend returns to find a multicolored monkey?

Includes activities that explore primary and secondary colors.

Editorial Review

About the Author

Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious George was published in 1941. Curious George has been published in numerous languages. And many, many Curious George books have followed.
