Exploring the Humanities: Creativity and Culture in the West (Combined Edition) By Laurie Schneider Adams

Introduction to the Humanities, Combined Edition provides a comprehensive, color and illustration-filled compilation of the history of civilization. *Volume One* encompasses the development of art, culture, society, architecture and religion beginning with prehistory and the ancient Near East and progressing through the Renaissance periods. *Volume Two* examines humanity and its components from the reformation and reform in sixteenth-century Europe through to present day society. The volumes provide extensive social and cultural background material reinforced with fascinating information on key persons, events, ideas and inventions of the time period to provides readers with a 'you are there' experience. Cross-Cultural Influence features highlight influences exchanged between different cultures to give readers a look at contact and artistic exchanges between cultures. Thematic Parallels sections compare universal themes over different time periods and in different places across the world, providing readers with an extensive and fascinating look at humanity through the ages.

Introduction to the Humanities, Combined Edition examines the following time periods: prehistory; the ancient near east; ancient Egypt; the Aegean world; the emergence of historical Greece; ancient Greece—classical to Hellenistic; ancient Rome; pagan cults, Judaism, and the rise of Christianity; the Byzantine Empire and the development of Islam; the early Middle Ages and the development of Romanesque; the development and expansion of gothic; the transition from gothic to early renaissance; the early renaissance in Italy and northern Europe and the high renaissance in Italy and early mannerism; the reformation and reform in sixteenth-century Europe; Absolutism and Baroque; from enlightenment to revolution in the 18th century; the early nineteenth century and the romantic movement; nineteenth-century realism; industry, and social change; the late nineteenth century; turn of the century to World War I; World War I through World War II; 1945 to 1989 — the cold war to détente; and after 1989. For those interested in a comprehensive view of humanities throughout the ages.

Users Review

From reader reviews:

Sandra Murray:

Information is provisions for individuals to get better life, information presently can get by anyone on everywhere. The information can be a information or any news even a problem. What people must be consider any time those information which is inside the former life are challenging be find than now is taking seriously which one is suitable to believe or which one the actual resource are convinced. If you receive the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Exploring the Humanities: Creativity and Culture in the West (Combined Edition) as the daily resource information.

Maria Gomez:

In this period globalization it is important to someone to obtain information. The information will make a professional understand the condition of the world. The healthiness of the world makes the information easier to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You can see that now, a lot of publisher in which print many kinds of book. Typically the book that recommended to you personally is Exploring the Humanities: Creativity and Culture in the West (Combined Edition) this publication consist a lot of the information in the condition of this world now. This specific book was represented how can the world has grown up. The dialect styles that writer use to explain it is easy to understand. The actual writer made some exploration when he makes this book. That's why this book suitable all of you.

Harriette Corwin:

This Exploring the Humanities: Creativity and Culture in the West (Combined Edition) is brand-new way for you who has intense curiosity to look for some information mainly because it relief your hunger info. Getting deeper you in it getting knowledge more you know otherwise you who still having bit of digest in reading this Exploring the Humanities: Creativity and Culture in the West (Combined Edition) can be the light food for you personally because the information inside this specific book is easy to get through anyone. These books develop itself in the form and that is reachable by anyone, yep I mean in the e-book type. People who think that in book form make them feel drowsy even dizzy this guide is the answer. So there isn't any in

reading a e-book especially this one. You can find actually looking for. It should be here for anyone. So , don't miss the idea! Just read this e-book variety for your better life and knowledge.

Joshua Dunleavy:

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Exploring the Humanities: Creativity and Culture in the West (Combined Edition) can make you experience more interested to read.
