Highland Broadsword: Lessons, Drills, and Practices By Christopher Scott Thompson

The lessons in **Highland Broadsword** are designed to help you learn the fundamentals of broadsword fighting, with an emphasis on developing practical skills, *not* on exploring the esoteric details of broadsword fencing theory.

In the first part of the book, Christopher Thompson—who is the author of [Highland Knife Fighting](#) and [Highland Martial Culture](#), and runs the [Cateran Society Broadsword Academy in Portland, Maine](#)—instructs you in the essentials of Highland swordsmanship, including stances, grips, footwork, and blade actions. After you've mastered these skills, you can test what you've learned with the free fencing and bouting exercises found in part two before moving on to the disarm maneuvers and advanced fighting techniques in part three.

Highland Broadsword can be used as a self-study guide by groups or by individuals with a training partner. While designed for the broadsword, the techniques in this manual also work with the backsword and singlestick. This is a must-read for anyone interested in the historical use of Highland weapons or in the Western martial arts in general.

Editorial Review

About the Author

Christopher Thompson is the author of *Lannaireachd: Gaelic Swordsmanship*, a training manual on the use of the Highland broadsword. A resident of Portland, Maine, Thompson is the president of the Cateran Society, a national organization that promotes historical fencing with Highland weapons.

Users Review

From reader reviews:

Daisy Richardson:

What do you consider book? It is just for students since they're still students or the item for all people in the world, what the best subject for that? Simply you can be answered for that problem above. Every person has diverse personality and hobby per other. Don't to be forced someone or something that they don't want do that. You must know how great and also important the book Highland Broadsword: Lessons, Drills, and Practices. All type of book is it possible to see on many options. You can look for the internet sources or other social media.

Alfred Wolff:

What do you concerning book? It is not important to you? Or just adding material if you want something to explain what the one you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Every individual has many questions above. They need to answer that question mainly because just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on jardín de infancia until university need that Highland Broadsword: Lessons, Drills, and Practices to read.

Elliott Salazar:

Your reading sixth sense will not betray you actually, why because this Highland Broadsword: Lessons, Drills, and Practices guide written by well-known writer who knows well how to make book that may be understand by anyone who also read the book. Written in good manner for you, dripping every ideas and producing skill only for eliminate your hunger then you still uncertainty Highland Broadsword: Lessons, Drills, and Practices as good book not merely by the cover but also by content. This is one guide that can break don't ascertain book by its deal with, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.

Adam Cohn:

In this particular era which is the greater particular person or who has ability to do something more are more important than other. Do you want to become considered one of it? It is just simple solution to have that. What you should do is just spending your time little but quite enough to possess a look at some books.
