Editorial Review

Review

"Stephen Houlgate has produced what is, without question, the most comprehensive and useful selection of Hegel texts yet. Not only has he provided generous selections from the whole range of Hegel's output, from the early writings through the mature system, but somehow he has also managed to include nearly every passage that has become important to later philosophers from Marx and Feuerbach through Heidegger, Adorno, Derrida and Deleuze. Add to this Houlgate's splendid introduction in which he lucidly outlines the fundamental gestures of Hegel's thought as radicalising and completing Kant's project for a critical philosophy, and one has a one-volume 'Hegel' that will deservedly dominate the field for years to come." *J. M. Bernstein, Vanderbilt University*

"Houlgate's collection is the best and most thoughtful assembly of Hegel's key writings in one volume to date. In some ways, this is the 'encyclopaedic' presentation of Hegel's thought that Hegel should have collected himself instead of the *Encyclopaedia* that he actually wrote." *Terry Pinkard, Georgetown University*

From the Back Cover

The Hegel Reader is the most comprehensive collection of Hegel's writings currently available in English. It contains four important "early writings", as well as selections from Hegel's mature writings and lectures which are central to his system and also have special relevance for post-Hegelian thinkers. There is also an extensive bibliography listing the main German editions of Hegel's works, most of the currently available English translations of his texts, as well as a selection of important secondary works.

About the Author

Stephen Houlgate is Professor of Philosophy at the University of Warwick. He is the author of *Hegel, Nietzsche and the Criticism of Metaphysics* (1986) and *Freedom, Truth and History: An Introduction to Hegel's Philosophy* (1991), and is the editor of *Hegel and the Philosophy of Nature* (1997).

Users Review

From reader reviews:

Tony Edwin:

Have you spare time for the day? What do you do when you have far more or little spare time? Yeah, you can choose the suitable activity intended for spend your time.
