Among the Impostors (Shadow Children Book 2) By Margaret Peterson Haddix

It was awful. All those eyes, all looking at him. It was straight out of Luke's worst nightmares. Panic rooted him to the spot, but every muscle in his body was screaming for him to run, to hide anywhere he could. For twelve years his entire life he'd had to hide. To be seen was death. "Don't!" he wanted to scream. "Don't look at me! Don't report me! Please!" But the muscles that controlled his mouth were as frozen as the rest of him. The tiny part of his mind that wasn't flooded with panic knew that that was good -- now that he had a fake I.D., the last thing he should do was act like a boy who's had to hide. But to act normal, he needed to move, to obey the man at the front and sit down. And he couldn't make his body do that, either. -- from *Among the Impostors*

Luke Garner is terrified.

Out of hiding for the first time in his life, he knows that any minute one of his new classmates at Hendricks School for Boys could discover his secret: that he's a third child passing as the recently deceased Lee Grant. And in a society where it's illegal for families to have more than two children, being a third child means certain death at the hands of the dreaded Population Police.

His first experience outside the safety of his home is bewildering. There's not a single window anywhere in the school; Luke can't tell his classmates apart (even as they subject him to brutal hazing); and the teachers seem oblivious to it all. Desperate to fit in, Luke endures the confusion and teasing until he discovers an unlocked door to the outside, and a chance to understand what is really going on. But to take this chance -- to find out the secrets of Hendricks -- Luke will need to put aside his fears and discover a courage that a lifetime in hiding couldn't thwart.

Once again, best-selling author Margaret Peterson Haddix delights her fans with this spine-tingling account of an all-too-possible future. *Among the Impostors* is a worthy companion to *Among the Hidden* and a heart-stopping thriller in its own right.

Editorial Review

From Publishers Weekly

This sequel to *Among the Hidden* picks up with Luke finally out of hiding and going to boarding school under an assumed identity. "While Haddix is often able to capture the suspense of her earlier work," wrote PW, "this installment gets mired in too many confusing details." Ages 9-14. (Oct.)

Copyright 2002 Reed Business Information, Inc.

From School Library Journal

Grade 5-7-Luke, a third child, hides quietly in his house, eluding the Population Police because he lives in a society in which families are only allowed two children. Now he has a chance to come out of the shadows by taking on an assumed identity and leaving home. This sequel to *Among the Hidden* (S & S, 1998) has Luke, now Lee, entering the Hendricks School for boys and a completely new existence where he feels lost and confused by his surroundings. He has gone from a furtive solitary existence to one in which he is never alone, from being desperate for company to being hazed by his classmates, particularly his roommate, "the Jackal." Lee learns to cope with the changes before him by escaping through the door to the outside. The story is artfully told with suspense and interesting twists. As Lee's confusion dissipates, readers begin to see what is going on. Lee is a fully realized character, developing courage and a true sense of self. Peripheral characters are not as fully developed, serving solely to further the story. Repeated references to Jen, another third child from the first book and martyr to all third children, may cause readers to wonder what they have missed. By the end of the story, the main character evolves into "L" and the author has created the possibility for another sequel. This compelling read can be enjoyed alone but it's sure to leave readers wanting to know the whole story.

Gr. 5-7. In *Among the Hidden* (1998), Luke Garner was growing up as a forbidden third child in a society that has outlawed more than two children per family. Here, he's 12 years old and enrolled with fake credentials in a boarding school as Lee Grant. Homesick and scared, he tries to keep a low profile; but there is no privacy whatsoever--eight boys to a bedroom, communal bathrooms, and hall monitors and guards everywhere. Finding his way around school is a nightmare, classes are incomprehensible, and teachers are indifferent. When he spots a door open to the outdoors, he sneaks out, returning reluctantly at dusk. He soon discovers others slipping through the door to meet regularly in the woods. Unfortunately, there's a traitor in the group who's working for the Population Police to unmask and turn in the shadow children. Can the illegals be saved from certain death? Luke and his experiences are believable in the appealing, simple futuristic story. Kids who've read the first book will welcome this one. *Sally Estes*

Users Review

From reader reviews:

Carrie Freeman:

Book is to be different for every single grade. Book for children until adult are different content. As you may

know that book is very important for all of us. The book *Among the Impostors (Shadow Children Book 2)* has been making you to know about other information and of course you can take more information. It doesn't matter what advantages for you. The reserve *Among the Impostors (Shadow Children Book 2)* is not only giving you far more new information but also to be your friend when you feel bored. You can spend your personal spend time to read your publication. Try to make relationship using the book *Among the Impostors (Shadow Children Book 2)*. You never truly feel lose out for everything when you read some books.

Johnny Grady:

Why? Because this *Among the Impostors (Shadow Children Book 2)* is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such awesome way makes the content on the inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have got such as help improving your expertise and your critical thinking method. So , still want to hesitate having that book? If I ended up you I will go to the book store hurriedly.

Jeffrey Chambers:

Are you kind of hectic person, only have 10 or 15 minute in your morning to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are receiving problem with the book as compared to can satisfy your small amount of time to read it because this all time you only find publication that need more time to be go through. *Among the Impostors (Shadow Children Book 2)* can be your answer mainly because it can be read by you who have those short extra time problems.

Jillian Harrington:

Beside this kind of *Among the Impostors (Shadow Children Book 2)* in your phone, it might give you a way to get closer to the new knowledge or facts. The information and the knowledge you may got here is fresh from your oven so don't become worry if you feel like an outdated people live in narrow village. It is good thing to have *Among the Impostors (Shadow Children Book 2)* because this book offers for you readable information. Do you sometimes have book but you seldom get what it's interesting features of. Oh come on, that will not end up to happen if you have this within your hand. The Enjoyable arrangement here cannot be questionable, such as treasuring beautiful island. Techniques you still want to miss this? Find this book along with read it from at this point!
