This must be love: Howard Roffman-one of Bruno Gmunder's most successful photographers for more than a decade-obviously can't live without the Slovakian cuties of Bel Ami. Just like last year he took a trip to see these dream guys and take new pictures of them. And just like last year's volume "Private Moments" THE BLUSH OF YOUTH is yet another great and erotic masterpiece. The intimate look of those pictures, the carefree performance of Roffman's models and the easy-going way they discover their sexuality make this a wonderful photo book that celebrates youth and beauty in its entire splendor.
