Business Ethics: Ethical Decision Making and Cases By O. C. Ferrell, John Fraedrich, Ferrell

This accessible, applied text covers the complex environment in which managers confront ethical decision making. Using a managerial framework, the authors address the overall concepts, processes, and best practices associated with successful business ethics programs--helping students see how ethics can be integrated into key strategic business decisions. The Seventh Edition incorporates comprehensive and rigorous updates that reflect the ever-increasing academic and governmental attention being given to this area. The textbook program provides an abundance of real-world examples and cases, as well as exercises, simulations, and practice tests that provide plenty of opportunity for students to master the text material.

His *MARKETING: CONCEPTS AND STRATEGY TEXT*, co-authored with Bill Pride, is one of the most widely adopted principles of marketing text in the world. *BUSINESS ETHICS: ETHICAL DECISION MAKING AND CASES* is co-authored with John Fraedrich and Linda Ferrell and is a leading business ethics. Dr. Ferrell has served as an expert witness on marketing issues for a number of legal cases over the past 20 years. He has been quoted in leading business publications such as USA TODAY and WALL STREET JOURNAL, and he has appeared on NBC's The Today Show discussing marketing-related issues.

Professor Fraedrich's dissertation (1988) was the nexus for the ethics book "Business Ethics: Ethical Decision Making and Cases" (11th edition) 2016, and is the most widely used undergraduate business ethics text in the U.S. Dr. Fraedrich has the distinction of being one of 50 marketing ethics professors selected to participate in an International Consortium on Ethics and Social Responsibility. In his career, he has presented, written, and/or published over 50 pieces related to business ethics alone. On a global level, he has helped affect business ethics dialogue by being the only ethics professor invited by a former U.S. Secretary of State to participate in an executive seminar on globalization and its implications and challenges for societies, corporate responsibility, and public policy and included ambassadors and economic ministers from Argentina, Australia, Bosnia/Herzegovina, Germany, the Republic of Georgia, Lesotho, Mexico, Peru, and Poland, as well as Fortune 100 firms such as Raytheon, Lockheed-Martin, and Sumitomo Corporation. He was invited by FEDERASUL, a prestigious business organization in Brazil, to discuss business ethics on a panel that included one of Brazil's Supreme Court Justices as well as a former ambassador. In 2006-2007, Professor Fraedrich was awarded the Bill Daniels Distinguished Professor of Business Ethics at the University of Wyoming, College of Business. Recently, Professor Fraedrich was invited to teach for the Department of the Army at the General Officer level concerning "The Consequences of Power." His class included 13 Brigadier Generals as well as five star generals (two lieutenant generals and three major generals). He is also the author of integrated application-oriented ethics software for academics and Fortune 500 corporations.
