

Oxford Handbook of Clinical Surgery (Oxford Handbooks Series)

From Oxford University Press

Oxford Handbook of Clinical Surgery (Oxford Handbooks Series) From Oxford University Press

Thoroughly revised with a wide range of new topics, presentations, and a new layout to aid quick reference, the new edition of this bestselling Oxford Handbook serves as an accessible pocket reference for junior surgical trainees, medical students, nursing, paramedical and rehabilitation staff. It covers the assessment and preparation of the patient, anaesthesia and critical care, inflammation, wound healing and infection, and the key components of general surgical practice as well as chapters on other surgical specialties, including plastic, paediatric and orthopaedic surgery. There are step by step descriptions of common operative surgical techniques, practical hints and procedures, and information on signs, symptoms and rarities. Emergency presentations are clearly identified for rapid reference and investigations and management plans are set out in a clear and easy to follow way. Surgically relevant anatomy and physiology is provided for each area, quick reference symbols ensure the reader is guided to key facts and there is an increased focus on evidence-based practice throughout. A cut above the rest, this is the essential guide to clinical surgery and the surgical specialities.

Editorial Review

Review

`Review from previous edition In short it's a little surgical gem.' Glasgow University Medical Journal

`[It] perfectly summarises surgery in all its glory... a concise and appropriate text for students and doctors alike... the 'Practical Hints and Procedures' is pure genius... I highly recommend this handbook for anyone embarking on a surgical rotation.' GKT Surgical Society Website June 2003

`This book... is destined to enter the hearts, mind and pockets of medical students, housemen, junior surgical trainees and a myriad of other healthcare professionals... forms part of the essential kit for anyone who employs the art and science of surgery to improve the quality of life of their patients.' GKT Surgical Society Website June 2003

`It goes the extra mile to provide enough up-to-date information to satisfy even the most hair-splitting consultant. I found it an indispensable assistant on the wards.' Priya Sastry

About the Author

Mr Neil Borley trained at Guy's Hospital Medical School, Cambridge, Canterbury and Oxford. He is a Consultant Colorectal Surgeon with an interest in the education and training of undergraduate and postgraduate students of basic sciences and surgery. He is also an examiner in surgery.

Users Review
