Sexual Politics By Kate Millett

A sensation upon its publication in 1970, *Sexual Politics* documents the subjugation of women in great literature and art. Kate Millett's analysis targets four revered authors—D. H. Lawrence, Henry Miller, Norman Mailer, and Jean Genet—and builds a damning profile of literature's patriarchal myths and their extension into psychology, philosophy, and politics. Her eloquence and popular examples taught a generation to recognize inequities masquerading as nature and proved the value of feminist critique in all facets of life. This new edition features the scholar Catharine A. MacKinnon and the *New Yorker* correspondent Rebecca Mead on the importance of Millett's work to challenging the complacency that sidelines feminism.

Editorial Review

Review

Millett's classic woke me up, changed my perception of women and myself, as it did for tens of thousands of American women when it first appeared.

(Leslie Crawford, "Kate Millett, the Ambivalent Feminist," *Salon*)

Sexual Politics dissected the beliefs, the cultural language, that supported sexual hierarchy. Millett's arguments cut through contemporary culture almost as surely as they did when written. In fact, it seems looking back to this old radicalism would help today's feminists to move forward.

(Katie Ryder, "Why Kate Millett Still Matters," *Bookforum*)

A passionate book by an acute literary analyst.

(*New Yorker*)

Supremely entertaining to read, brilliantly conceived, overwhelming in its arguments, breathtaking in its command of history and literature.

(*New York Times*)

A richly informative book.

(*Washington Post Book World*)

A well documented intellectual masterpiece.

(*Pittsburgh Press*)

[Millett] translates the war of the sexes from the language of nineteenth century bedroom farce into the raw images of guerilla warfare.... Even more than a political system, our sexual order is a 'habit of mind and a way of life.' Millett's book may go far toward subverting it.

(*Time*)

About the Author

Kate Millett is an American feminist writer, artist, and activist. Her most recent books are *Mother Millett, A.D.: A Memoir*, and *The Politics of Cruelty: An Essay on the Literature of Political Imprisonment*. She is director of the Millett Center for the Arts and lives in New York City and upstate New York.

Catharine A. MacKinnon is the Elizabeth A. Long Professor of Law at Michigan Law School and the long-term James Barr Ames Visiting Professor of Law at Harvard Law School.

Rebecca Mead is a staff writer for *The New Yorker* and the author of *My Life in Middlemarch* and *One Perfect Day: The Selling of the American Wedding*.

Users Review

From reader reviews:

Scott Anderson:

As people who live in often the modest era should be up-date about what going on or info even knowledge to make these people keep up with the era and that is always change and make progress. Some of you maybe can update themselves by examining books. It is a good choice for you but the problems coming to you actually is you don't know which one you should start with. This Sexual Politics is our recommendation so you keep up with the world. Why, as this book serves what you want and wish in this era.

Francisco London:

Reading a e-book tends to be new life style on this era globalization. With reading you can get a lot of information that can give you benefit in your life. Together with book everyone in this world could share their idea. Books can also inspire a lot of people. Many author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the publications. But also they write about the knowledge about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors nowadays always try to improve their skill in writing, they also doing some research before they write to the book. One of them is this Sexual Politics.

Kimberly Wheatley:

A lot of people always spent all their free time to vacation or maybe go to the outside with them loved ones or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or even playing video games all day long. In order to try to find a new activity that's look different you can read some sort of book. It is really fun for yourself. If you enjoy the book that you just read you can spent the entire day to reading a publication. The book Sexual Politics it is rather good to read. There are a lot of people that recommended this book. These people were enjoying reading this book. In case you did not have enough space to create this book you can buy the e-book. You can m0ore simply to read this book out of your smart phone. The price is not too expensive but this book offers high quality.

Joe Timmons:

With this era which is the greater particular person or who has ability in doing something more are more valuable than other. Do you want to become one of it? It is just simple solution to have that. What you must do is just spending your time not much but quite enough to possess a look at some books. One of several

books in the top list in your reading list is definitely Sexual Politics. This book that is certainly qualified as The Hungry Mountains can get you closer in becoming precious person. By looking upward and review this e-book you can get many advantages.
