Theatre: A Way of Seeing (with InfoTrac) (Available Titles CengageNOW)

By Milly S. Barranger

Consistently praised for being "streamlined" and "clear and student friendly," THEATRE: A WAY OF SEEING offers the beginning theatre student an exciting, full-color introduction to all aspects of theatre. It presents the experience of theatre, who sees, what is seen, where and how it is seen largely from the viewpoint of audiences exposed to a complex, living art that involves people, spaces, plays, designs, staging, forms, language, and productions. The book includes the appropriate coverage of the history, diversity and most critical moments in theatre in a way that encourages students to experience theatre as "a performing art and humanistic event."
