## Time and Again By Jack Finney

Rediscover the beloved classic, *Time and Again*—hailed as “*THE* great time-travel story” by Stephen King, now with masterfully restored original artwork and an all-new foreword by Audrey Niffenegger, *New York Times* bestselling author of *The Time Traveler’s Wife*.

When advertising artist Si Morley is recruited to join a covert government operation exploring the possibility of time travel, he jumps at the chance to leave his twentieth-century existence and step into New York City in January 1882. Aside from his thirst for experience, he has good reason to return to the past—his friend Kate has a curious, half-burned letter dated from that year, and he wants to trace the mystery.

But when Si begins to fall in love with a woman he meets in the past, he will be forced to choose between two worlds—forever.

Praised as “pure New York fun” by Alice Hoffman, *Time and Again* is admired for its rich, painstakingly researched descriptions of life in New York City more than a century ago, and for the swift adventure at its core. With digitally remastered art, fall in love with this refreshed classic all over again.
