Beyond the Visible and the Material: The Amerindianization of Society in the Work of Peter Rivière From Oxford University Press

Focusing on the anthropological development of Amazonia, this volume explores the legacy of Peter Rivière, a recently retired Professor of Social Anthropology, University of Oxford. An international group of leading specialists contributes to the substantial and growing body of Amazonian ethnography, discussing topics that include kinship and genealogy, the village as a unit of ethnographic observation, the human body in political and social processes, and gender relationships as aspects of political cosmological thinking.
