Evidence for the Bible By Clive Anderson, Brian Edwards

This beautifully produced book with over 200 full colour images, reveals some of the many discoveries that either authenticate or illustrate the biblical narrative. The text is accurate, informative & assumes no prior knowledge of the world of archaeology. It follows the biblical record from Genesis to Revelation. Timelines of the Ancient Near East empires, articles on specific thorny issues such as the Pharaoh of the Exodus & the census of Quirinius, an assessment of fallacies in the world of biblical archaeology & a detailed bibliography, all add to the value of this unique volume.
