Krishnamurti's Notebook By Jiddu Krishnamurti

When Krishnamurti's Notebook first became available in 1976, it was soon realized that it was a spiritually unique document giving his perceptions and experiences and describing his states of consciousness. It is a kind of diary but one that is little concerned with the day to day process of living, though very much aware of the natural world.

Editorial Review

About the Author

Krishnamurti, Jiddu born of middle-class Brahmin parents, was recognized at age fourteen as the coming World Teacher. Krishnamurti claimed allegiance to no caste, nationality or religion and was bound by no tradition. He traveled the world and spoke spontaneously to large audiences until the end of his life at age ninety. He said man has to free himself of all fear, conditioning, authority and dogma through self-knowledge and this will bring about order and psychological mutation. That book can make you to feel relax. That book Krishnamurti's Notebook was multi-colored and of course has pictures on there. As we know that book Krishnamurti's Notebook has many kinds or category. Start from kids until teens. For example Naruto or Investigator Conan you can read and think that you are the character on there. Therefore not at all of book are make you bored, any it can make you feel happy, fun and loosen up. Try to choose the best book for yourself and try to like reading which.

Samantha Green:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Krishnamurti's Notebook can make you feel more interested to read.
