The Princess Trap By Kirsten Boie

She's a royal on the run, as the PLOT thickens!

Life as a princess = a dream come true, right? Girl, please! Between palace rules, a mean queen-bee roomie at her posh boarding school, the ever-present paparazzi -- and, BTW, her unrequited crushing on Jonas -- Jenna feels superstressed, and finds herself wishing she were a plain old nobody again. Which is why she tries to run away . . . only to get trapped in a scheme to overthrow her uncle, the king!

Major drama.

Suddenly -- seriously? -- Jenna must stop a civil war. When all she really wants is her first kiss!

The charming sequel to THE PRINCESS PLOT!

Editorial Review

From School Library Journal

Gr 6-8—A year after the events in *The Princess Plot* (Scholastic, 2009), Princess Jenna's adjustment to her new boarding school, and her new country, is not going smoothly. When she sees an opportunity to escape during a lavish garden party, she runs away, planning to reunite with her best friend. What she doesn't plan on is that Perry, son of the Minister of the Interior, has also run away. Both of them are kidnapped and caught up in conspiracy to overthrow the king and incite a civil war. Frequent expository dialogue refreshes readers on the events of the first book, making it possible to jump straight into this one. While conspiracy stories often have many characters and plot twists, *The Princess Trap* gets particularly bogged down by its large cast and political maneuverings. In Jenna's and Perry's sections, their fears about their captors take a backseat to their predictable romantic troubles and contrived misunderstandings. The writing style is simplistic and at times awkward. Jenna's royal status doesn't factor into the plot much beyond a handy excuse for her kidnapping. Teens looking for princess stories will be better served by Meg Cabot's "The Princess Diaries" (HarperCollins) or Gail Carson Levine's novels.—Brandy Danner, Wilmington Memorial Library, MA

Review

Praise for the PRINCESS PLOT series:

"Engaging, clever, quick-paced -- and well stocked with royals! Boie shows why she's such a popular novelist in Germany. Jenna will put readers firmly on her side as she escapes her captors, meets the real princess, and discovers some outstanding facts about her own hidden background....Boie's US debut carries a full load of reader appeal." -- Kirkus Reviews

"A fun, attention-keeping read. For readers who dream of being a royal or singlehandedly saving an entire country from ruin, Boie's story will hit the spot." -- Publishers Weekly

"Well crafted, intricate, and suspenseful. For readers who want more from their princesses than sumptuous clothes and first kisses." -- BCCB

"One part political drama, one part mystery, and one part fairy tale, all included in a very fun read." -- TeensReadToo.com

About the Author

KIRSTEN BOIE is the recipient of Germany's prestigious Jungen Preis and the bestselling author of several children's books. *THE PRINCESS TRAP* is the sequel to *THE PRINCESS PLOT*, her first novel to be published in English. She lives in Hamburg.

Users Review

From reader reviews:

Eleanor Rowe:

What do you concerning book? It is not important with you? Or just adding material when you want something to explain what yours problem? How about your time? Or are you busy man? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every person has many questions above. They should answer that question due to the fact just their can do which. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this The Princess Trap to read.

Orville Norman:

The experience that you get from The Princess Trap is the more deep you looking the information that hide into the words the more you get interested in reading it. It doesn't mean that this book is hard to understand but The Princess Trap giving you joy feeling of reading. The writer conveys their point in a number of way that can be understood simply by anyone who read that because the author of this publication is well-known enough. This particular book also makes your own vocabulary increase well. Therefore it is easy to understand then can go to you, both in printed or e-book style are available. We advise you for having that The Princess Trap instantly.

Kirk Banks:

Reading a e-book tends to be new life style within this era globalization. With reading through you can get a lot of information which will give you benefit in your life. With book everyone in this world can share their idea. Books can also inspire a lot of people. A great deal of author can inspire their own reader with their story as well as their experience. Not only the storyplot that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some exploration before they write for their book. One of them is this The Princess Trap.

Larry Gregg:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's soul or real their pastime. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this The Princess Trap can make you truly feel more interested to read.
