Big Sur (Penguin Ink) By Jack Kerouac

Soon to be a major motion picture starring Kate Bosworth, Josh Lucas, Anthony Edwards, and Radha Mitchell

"Each book by Jack Kerouac is unique, a telepathic diamond. With prose set in the middle of his mind, he reveals consciousness itself in all its syntactic elaboration, detailing the luminous emptiness of his own paranoiac confusion. Such rich natural writing is nonpareil in later half XX century, a synthesis of Proust, Céline, Thomas Wolfe, Hemingway, Genet, Thelonus Monk, Basho, Charlie Parker, and Kerouac's own athletic sacred insight.

"*Big Sur's* humane, precise account of the extraordinary ravages of alcohol delirium tremens on Kerouac, a superior novelist who had strength to complete his poetic narrative, a task few scribes so afflicted have accomplished—others crack up. Here we meet San Francisco's poets & recognize hero Dean Moriarty ten years after *On the Road*. Jack Kerouac was a 'writer,' as his great peer W.S. Burroughs says, and here at the peak of his suffering humorous genius he wrote through his misery to end with 'Sea,' a brilliant poem appended, on the hallucinatory Sounds of the Pacific Ocean at Big Sur." —Allen Ginsberg

Editorial Review

Review

"In many ways, particularly in the lyrical immediacy that is his distinctive glory, this is Kerouac's best book . . . certainly, he has never displayed more 'gentle sweetness.'"

--*San Francisco Chronicle*

"Kerouac's grittiest novel to date and the one which will be read with most respect by those skeptical of all the Beat business in the first place."

--*The New York Times Book Review*

"*Big Sur* is so devastatingly honest and painful and yet so beautifully written....He was sharing his pain and suffering with the reader in the same way Dostoyevsky did, with the idea of salvation through suffering."

--**David Amram**

About the Author

Jean-Louis "Jack" Kerouac (March 12, 1922 – October 21, 1969) was an American novelist and poet. He is considered a literary iconoclast and, alongside William S. Burroughs and Allen Ginsberg, a pioneer of the Beat Generation. Kerouac is recognized for his spontaneous method of writing, covering topics such as Catholic spirituality, jazz, promiscuity, Buddhism, drugs, poverty, and travel. His writings have inspired other writers, including Ken Kesey, Bob Dylan, Eddie Vedder, Richard Brautigan, Curtis Meador, Thomas Pynchon, Lester Bangs, Tom Robbins, Will Clarke, Ben Gibbard, Haruki Murakami, Jacquelyn Landgraf. Kerouac became an underground celebrity and, with other beats, a progenitor of the hippie movement, although he remained antagonistic toward some of its politically radical elements. In 1969, at age 47, Kerouac died from internal bleeding due to long-standing abuse of alcohol. Since his death Kerouac's literary prestige has grown and several previously unseen works have been published. All of his books are in print today, among them: *On the Road*, *Doctor Sax*, *The Dharma Bums*, *Mexico City Blues*, *The Subterraneans*, *Desolation Angels*, *Visions of Cody* and *Big Sur*.

From [AudioFile](#)

This autobiographical novel continues the adventures of the (older but certainly not mellower) wandering beatnik from *ON THE ROAD*. For a narrator it contains extraordinary difficulties, for the writing flies off into inebriated, overly long sentences that reflect, describe or just babble forward in a kind of free association. To keep such passages flowing while making sense out of them is no mean feat. Tom Parker pulls it off, erring only infrequently in his interpretation. He even manages to sound as if he were enjoying himself. The production is clean but tinny, possibly dampening the pleasure of home listeners, but hardly bothering drivers listening over traffic noise. Y.R. (c) AudioFile, Portland, Maine

Users Review

From reader reviews:

Eddie Drennan:

The reserve with title *Big Sur* (Penguin Ink) includes a lot of information that you can discover it. You can get a lot of benefit after read this book.
