Cnut: England's Viking King By M. K. Lawson

An meticulously researched biography of one of the most important kings of England

M.K. Lawson brings to life the reality of a paradoxical king: his ruthlessness in the face of his enemies alongside his piety and law-giving nature. He also provides an insight into how a Danish king managed to accommodate himself to an English system of law and order that has resonated through history. King Cnut ruled England from 1017 to 1035 and left behind him a legacy of peace, law, and order. However, the beginnings of his kingship were less auspicious, as he was a cruel and vicious warrior, who invaded England with his father Swegen Forkbeard, perhaps at a tender age. After Swegen's death in 1014 Cnut went home to Denmark to gather his forces. He returned the following year and conquered much of England in his bid for the Crown, but even on the death of Æthelred II the English refused to proclaim him king. However, his victory over the alternative candidate, Æthelred's son King Edmund Ironside, at the battle of Ashington, forced a division of the country between the two. Shortly afterwards, Edmund died and Cnut became undisputed ruler.

Users Review

From reader reviews:

Minerva Gagliano:

Nowadays reading books become more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The details you get based on what kind of publication you read, if you want send more knowledge just go with education books but if you want feel happy read one having theme for entertaining for example comic or novel. The particular Cnut: England's Viking King is kind of guide which is giving the reader unpredictable experience.

Megan Urick:

Reading a publication tends to be new life style on this era globalization. With reading you can get a lot of information that will give you benefit in your life. With book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire all their reader with their story or even their experience. Not only the story that share in the guides. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors these days always try to improve their skill in writing, they also doing some study before they write on their book. One of them is this Cnut: England's Viking King.

Robert Alcock:

This Cnut: England's Viking King is great book for you because the content that is certainly full of information for you who have always deal with world and also have to make decision every minute. This book reveal it information accurately using great arrange word or we can say no rambling sentences within it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only gives you straight forward sentences but hard core information with beautiful delivering sentences. Having Cnut: England's Viking King in your hand like finding the world in your arm, information in it is not ridiculous 1. We can say that no reserve that offer you world within ten or fifteen tiny right but this publication already do that. So , it is good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Allen Lutz:

What is your hobby? Have you heard in which question when you got college students? We believe that that concern was given by teacher to the students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person like reading or as studying become their hobby. You have to know that reading is very important along with book as to be the factor. Book is important thing to provide you knowledge, except your own personal teacher or lecturer. You get good news or update regarding something by book. Many kinds of books that can you take to be your object. One of them is this Cnut: England's Viking King.
