Financial Management: Principles and Applications (9th Edition) By Arthur J. Keown, John W. Martin, William D. Petty, David F. Scott

With its exciting introduction of the Harley-Davidson focus company theme, this book continues to provide a solid, enduring foundation of the tools of modern theory while at the same time developing the logic behind their use. The “10 Principles of Finance” provide the framework, or “the big picture” of finance, which ties the major concepts of the book together. Chapter topics include financial statements, taxes, and cash flows; evaluating a firm's financial performance; financial forecasting; time value of money; risk and rates of return; bond valuation; stock valuation; capital budgeting decision criteria; cash flows and other topics in capital budgeting; capital budgeting and risk analysis; cost of capital; managing for shareholder value; raising capital in the financial markets; analysis and impact of leverage; planning the firm's financial mix; dividend policy and internal financing; working-capital management and short-term financing; cash and marketable securities management; accounts receivable and inventory management; risk management; international finance; corporate restructuring: combinations and divestitures; and term loans and leases. For individuals seeking a lasting understanding of the fundamentals of finance.

Editorial Review

Users Review

From reader reviews:

Oliver Watts:

Do you have favorite book? When you have, what is your favorite's book? E-book is very important thing for us to find out everything in the world. Each book has different aim or maybe goal; it means that book has different type. Some people really feel enjoy to spend their the perfect time to read a book. They are reading whatever they get because their hobby is definitely reading a book. Think about the person who don't like reading through a book? Sometime, man feel need book if they found difficult problem or exercise. Well, probably you'll have this Financial Management: Principles and Applications (9th Edition).

Daniel Ellis:

Reading a guide tends to be new life style on this era globalization. With looking at you can get a lot of information which will give you benefit in your life. With book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A lot of author can inspire their particular reader with their story or even their experience. Not only situation that share in the books. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this Financial Management: Principles and Applications (9th Edition).

Patricia Steele:

This Financial Management: Principles and Applications (9th Edition) is great book for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. This book reveal it information accurately using great organize word or we can state no rambling sentences inside. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having Financial Management: Principles and Applications (9th Edition) in your hand like having the world in your arm, data in it is not ridiculous one. We can say that no publication that offer you world in ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. busy do you still doubt which?

Rachel Daniels:

It is possible to spend your free time to learn this book this guide. This Financial Management: Principles

and Applications (9th Edition) is simple to create you can read it in the playground, in the beach, train and soon. If you did not include much space to bring the printed book, you can buy often the e-book. It is make you better to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.
