**Java Testing with Spock** By Konstantinos Kapelonis

## Summary

Java Testing with Spock teaches you how to use Spock for a wide range of testing use cases in Java. Readers new to Groovy will appreciate the succinct language tutorial that'll give you just enough Groovy to use Spock effectively.

Purchase of the print book includes a free eBook in PDF, Kindle, and ePub formats from Manning Publications.

## About the Technology

Spock combines the features of tools like JUnit, Mockito, and JBehave into a single powerful Java testing library. With Spock, you use Groovy to write more readable and concise tests. Spock enables seamless integration testing, and with the intuitive Geb library, you can even handle functional testing of web applications.

## About the Book

*Java Testing with Spock* teaches you how to use Spock for a wide range of testing use cases in Java. You'll start with a quick overview of Spock and work through writing unit tests using the Groovy language. You'll discover best practices for test design as you learn to write mocks, implement integration tests, use Spock's built-in BDD testing tools, and do functional web testing using Geb. Readers new to Groovy will appreciate the succinct language tutorial in chapter 2 that gives you just enough Groovy to use Spock effectively.

## What's Inside

Spock features for enterprise testing

Editorial Review About the Author

**Konstantinos Kapelonis** is a software engineer with 10+ years of programming experience ranging from writing bare metal C for the PlayStation 3 to Scheme code that mimics human reasoning. He works daily with Java and has a soft spot for code quality and build pipelines.

**Users Review From reader reviews:**

Cynthia Richards: Reading a reserve tends to be new life style on this era globalization. With studying you can get a lot of information that could give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only the storyline that share in the ebooks. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their skill in writing, they also doing some analysis before they write to the book. One of them is this Java Testing with Spock.

Denise Dennis: In this era globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The fitness of the world makes the information much easier to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. Often the book that recommended for your requirements is Java Testing with Spock this publication consist a lot of the information from the condition of this world now. This particular book was represented how can the world has grown up. The vocabulary styles that writer value to explain it is easy to understand. The writer made some exploration when he makes this book. That's why this book acceptable all of you.

Roderick Grubb: A lot of book has printed but it is different. You can get it by online on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by simply searching from it. It is identified as of book Java Testing with Spock. You can contribute your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make anyone happier to read. It is most critical that, you must aware about e-book. It can bring you from one spot to other place.

Kathleen Sinclair: What is your hobby? Have you heard which question when you got pupils? We believe that that issue was given by teacher with their students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person including reading or as reading become their hobby. You need to know that reading is very important as well as book as to be the thing. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You will find good news or update regarding something by book. Amount types of books that can you decide to try be your object. One of them is niagra Java Testing with Spock.
