**Lady Whistledown Strikes Back** By Julia Quinn, Karen Hawkins, Suzanne Enoch, Mia Ryan, Suzanne Enoch, Mia Ryan

Who Stole Lady Neeley's Bracelet?

Was it the fortune hunter, the gambler, the servant, or the rogue? All of London is abuzz with speculation, but it is clear that one of four couples is connected to the crime.

Lady Whistledown's Society Papers, May 1816

*Julia Quinn enchants:* A dashing fortune hunter is captivated by the Season's most desired debutante . . . and must prove he is out to steal the lady's heart, not her dowry.

*Suzanne Enoch tantalizes:* An innocent miss who has spent her life scrupulously avoiding scandal is suddenly—and secretly—courted by London's most notorious rogue.

*Karen Hawkins seduces:* A roving viscount comes home to rekindle the passionate fires of his marriage . . . only to discover that his beautiful, headstrong bride will not be so easily won.

*Mia Ryan delights:* A lovely, free-spirited servant is dazzled by the romantic attentions of a charming earl . . . sparking a scandalous affair that could ruin them both.

## **Editorial Review**

From Publishers Weekly

A strong and charming encore to *The Further Observations of Lady Whistledown*, this superb Regency-era novella collection is punctuated by gossip columnist Lady Whistledown's witty comments and penned by the same authors who contributed to the previous book. A disastrous dinner party during which a ruby bracelet goes missing-and four couples discover or rediscover their soul mates-sparks the collection. Each tale follows one pair as they tackle the obstacles to love, but the stories are skillfully interwoven to the point where they present the same encounters and relay the same dialogue from different points of view. At times, references to the other couples can feel forced, but the authors are largely successful in piecing their hilarious and sometimes touching stories together into a delightful romantic quilt. Similarities abound: the heroines are unwed virgins, the heroes unwed but not virginal, and all are filled with gratitude that they found each other. Only Hawkins's story, featuring a wedded couple estranged for 12 years, stands strangely apart, as it explores the darker issues of pride, betrayal and forgiveness. Sure to be as popular-if not more so-than the previous *Whistledown*, this winsome collection is a cut above most romance anthologies.

### About the Author

Julia Quinn is the *New York Times* bestselling author of twenty-five novels for Avon Books, and one of only sixteen authors ever to be inducted in the Romance Writers of America Hall of Fame. She lives in the Pacific Northwest with her family.

Karen Hawkins was raised in Tennessee, a member of a huge extended family that included her brother and sister, an adopted sister, numerous foster siblings, and various exchange students. In order to escape the chaos (and while hiding when it was her turn to do the dishes), she would huddle under the comforter on her bed with a flashlight and a book, a habit she still embraces to this day.

A native and current resident of Southern California, Suzanne Enoch loves movies almost as much as she loves books. When she is not busily working on her next novel, Suzanne likes to contemplate interesting phenomena, like how the three guppies in her aquarium became 161 guppies in five months.

When not carpooling, scraping gum off seatbelts, doing laundry and staring insanity in the face, Mia Ryan likes to escape into her writing. You can also read Mia Ryan's "A Dozen Kisses" in *The Further Observations of Lady Whistledown*, an Avon book published in February 2003.

## **Users Review**

### **From reader reviews:**

#### **Arthur Dickison:**

Book is to be different for each grade. Book for children till adult are different content. As you may know that book is very important for people. The book Lady Whistledown Strikes Back ended up being making you to know about other expertise and of course you can take more information. It is rather advantages for you. The book Lady Whistledown Strikes Back is not only giving you a lot more new information but also to get your friend when you really feel bored. You can spend your spend time to read your publication. Try to make relationship while using book Lady Whistledown Strikes Back. You never sense lose out for everything in case you read some books.

#### **Edward Vogler:**

Nowadays reading books are more than want or need but also become a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want get more knowledge just go with training books but if you want feel happy read one together with theme for entertaining for instance comic or novel. Often the Lady Whistledown Strikes Back is kind of guide which is giving the reader erratic experience.

#### **Suzanne Mitchell:**

This Lady Whistledown Strikes Back is great reserve for you because the content that is certainly full of information for you who else always deal with world and also have to make decision every minute. That book reveal it information accurately using great arrange word or we can point out no rambling sentences in it. So if you are read that hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tough core information with lovely delivering sentences. Having Lady Whistledown Strikes Back in your hand like obtaining the world in your arm, facts in it is not ridiculous a single. We can say that no guide that offer you world inside ten or fifteen tiny right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

#### **Rona Foret:**

You are able to spend your free time to learn this book this publication. This Lady Whistledown Strikes Back is simple to bring you can read it in the playground, in the beach, train and soon. If you did not have got much space to bring the actual printed book, you can buy the e-book. It is make you easier to read it. You can save the actual book in your smart phone. And so there are a lot of benefits that you will get when you buy this book.
