Monteverdi: Vespers (1610) (Cambridge Music Handbooks) By John Whenham

Monteverdi's Vespers is an exceptional collection of sacred music, both in the inventiveness of the compositions that it contains and in the debate that it has provoked over its use in the seventeenth century and over Monteverdi's intentions in publishing it. This handbook provides all the information that the reader needs for an in-depth appreciation of the musical settings themselves, of the debate that surrounds the original intention of the volume and of the problems of performing the music today. The book includes the texts and plainsongs used by Monteverdi, and a discography.

Editorial Review

Review

'John Whenham approaches his task with an appropriately passionate sobriety, his impeccable scholarship presents all the evidence ... his speculations always command respect.' *The Musical Times*

'John Whenham gives an amazingly full, instructive and inspirational picture of The Vespers; this is something that can rarely be said of most manuals - this one, however, is the exception.' *Canor*

Users Review

From reader reviews:

Jessica Bradsher:

Reading a publication can be one of a lot of action that everyone in the world loves. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a publication will give you a lot of new info. When you read a guide you will get new information because book is one of a number of ways to share the information or their idea. Second, reading a book will make you more imaginative. When you examining a book especially fictional book the author will bring one to imagine the story how the character types do it anything. Third, it is possible to share your knowledge to other people. When you read this Monteverdi: Vespers (1610) (Cambridge Music Handbooks), it is possible to tells your family, friends and soon about yours book. Your knowledge can inspire others, make them reading a book.

Irene Allen:

Reading a reserve tends to be new life style in this era globalization. With reading you can get a lot of information which will give you benefit in your life. With book everyone in this world may share their idea. Books can also inspire a lot of people. Many author can inspire their particular reader with their story or their experience. Not only situation that share in the textbooks. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some exploration before they write to their book. One of them is this Monteverdi: Vespers (1610) (Cambridge Music Handbooks).

William Keller:

The guide with title Monteverdi: Vespers (1610) (Cambridge Music Handbooks) has a lot of information that you can learn it. You can get a lot of profit after read this book. This particular book exist new know-how the information that exist in this publication represented the condition of the world at this point. That is important to yo7u to learn how the improvement of the world. This particular book will bring you in new era of the syndication. You can read the e-book on the smart phone, so you can read the idea anywhere you want.

Heather Robertson:

Your reading 6th sense will not betray you, why because this Monteverdi: Vespers (1610) (Cambridge Music Handbooks) publication written by well-known writer we are excited for well how to make book which might be understand by anyone who read the book. Written throughout good manner for you, still dripping wet every ideas and producing skill only for eliminate your own hunger then you still skepticism Monteverdi: Vespers (1610) (Cambridge Music Handbooks) as good book not simply by the cover but also from the content. This is one e-book that can break don't assess book by its deal with, so do you still needing a different sixth sense to pick this particular!?! Oh come on your examining sixth sense already told you so why you have to listening to yet another sixth sense.
