One Red Paperclip: How To Trade a Red Paperclip For a House By Kyle MacDonald

MEET KYLE MACDONALD.

He has one red paperclip and one big dream.

And he can write. Only problem is he's between jobs, and his girlfriend is supporting him. Now is the time for Kyle MacDonald to get creative. And that is where this amazing story begins. Kyle takes his paperclip and puts an ad on Craigslist. In just fourteen trades, Kyle MacDonald turns that paperclip into a fish pen, then a doorknob, and then a camping stove. Next, he trades the camping stove for a generator. Soon, Corbin Bernsen, Alice Cooper, and a small town in Canada are involved, and before long Kyle MacDonald turns his paperclip into a house!

One Red Paperclip is an inspiring story about a man with the courage and moxie to think outside the box. It is the most unlikely of stories and an example of how we can create and do amazing things with the right amount of know-how and determination. Let Kyle MacDonald inspire you to find your own one red paperclip. You just never know where it could lead . . .
