Plague (Gone) By Michael Grant

It's been eight months since all the adults disappeared. Gone. They've survived hunger. They've survived lies. But the stakes keep rising, and the dystopian horror keeps building in *Plague*, Michael Grant's fourth book in the *New York Times* bestselling *Gone* series.

A highly contagious fatal illness is spreading at an alarming rate, while sinister, predatory insects terrorize Perdido Beach. Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love?

Editorial Review

From [Booklist](#)

Though the desperate, dirty, starving teens of the *Gone* series look decreasingly like the clean-cut hotties on the book jackets, Grant's sf-fantasy thrillers continue to be the very definition of page-turner. Nearly out of water and beset with two types of plagues (one like a flu, the other a horde of flesh-eating bugs), the FAYZ community of superfriends and superenemies must once again band together and fight. Being dumped into this populous soap opera, with all its powers and vendettas, will doom newcomers. But who'd be crazy enough to start here? Great fun for fans. Grades 7-10. --Daniel Kraus

Review

Praise for PLAGUE "The very definition of a page-turner."—ALA Booklist "The characters' interior struggles are almost as vivid as the action. Fans will be satisfied—for now." (Voice of Youth Advocates (VOYA) (Starred Review))

From the Back Cover

It's been eight months since all the adults disappeared. *Gone*.

They've survived hunger. they've survived lies. But the stakes keep rising, and the dystopian horror keeps building in plague, Michael Grant's fourth book in the *New York Times* bestselling *Gone* series.

A highly contagious, fatal illness is spreading at an alarming rate, while sinister, predatory insects terrorize Perdido Beach. Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make when it comes to saving themselves and those they love?

Users Review

From reader reviews:

Hannelore Evans:

Throughout other case, little folks like to read book *Plague (Gone)*. You can choose the best book if you want reading a book. So long as we know about how is important any book *Plague (Gone)*. You can add information and of course you can around the world by a book. Absolutely right, since from book you can realize everything! From your country until finally foreign or abroad you may be known. About simple point until wonderful thing you are able to know that. In this era, we could open a book or maybe searching by internet product. It is called e-book. You need to use it when you feel bored stiff to go to the library. Let's study.

Jeffery Whitley:

Typically the book *Plague (Gone)* will bring that you the new experience of reading the book. The author style to describe the idea is very unique. Should you try to find new book to study, this book very ideal to you. The book *Plague (Gone)* is much recommended to you to read. You can also get the e-book in the
