**Layla Eden:** He's forbidden and everything I should loathe in a man. Arrogant, foul-mouthed, inked, a bare-knuckle fighter, thinks he's God's gift to women, and yet ... one look into his magnetic eyes and I am doing crazy things I've never imagined doing. I tell myself just one taste -- what harm can it do? But what happens if one taste is not enough...

-

**Billy Joe Pilkington:** She's the hottest girl I know, and I've been lusting for her since I was old enough to fuck, but she's also a spoiled little fucking princess who swoons about the place like she's something special. She wasn't so high and mighty after her first lesson on my knees. Well I've got news for her -- I'm gonna kick down her walls, strip away the façade, and take what I want. About the Author

Hi everyone I'm Georgia Le Carre, I write contemporary and adult erotic romance and I am the bestselling author of the Amazon # 1, the billionaire banker series. I live in a little old 19th century romantic cottage, surrounded by the most magical garden, filled with fruit and walnut trees and teeming with wildlife. Sadly for me I love all things chocolate and food and have a voracious appetite for Romance reads, particularly new authors with a fresh voice. When I am not feeding words into Amy, my precious laptop, I can be found lost in a long walk in the woods, particularly on moonlit nights; and often with the man of my dreams.
