The Life and Times of Krishna: The Deity Who Lived as Man By JB Patro

The essence of the ‘Philosophy of Life’, as enunciated by Lord Krishna to the warrior Arjuna in the Bhagvad Gita, is one of the most important works of human civilisation—a guiding document for all of mankind. In addition to his godly stature, Lord Krishna has been the subject of legends and literature, political and theosophical discussions, controversies and conflicts. His image has been moulded in the minds of believers and skeptics, poets and artists, reflecting the tenor of each age and time. As a consequence, it is difficult to separate the historical Krishna from the mythical and spiritual Krishna. Under the layers of the divine Krishna, the avatar and incarnation, the historical Krishna encapsulates the story of a man of exceptional qualities and a model for all times. This book brings to the reader this extraordinary man, a consummate statesman and nation builder, a warrior and teacher, a philosopher and mystic—a unique persona which is man's empirical understanding of the divine form. This book is very relevant to the times we live in, as the present state of our society sorely points to the need for a Krishna to be, once again, in the midst of us. It is hoped that reading about the historical Krishna will inspire us to lead better lives, through the pursuit of dharma, above all else.

Editorial Review

Review

"Brilliant work, rendered with love and affection. The reader is bound to undergo an inner transformation."
— Swami Dayananda Saraswathi

About the Author

Brahmanaanda Patro retired as a Deputy Chief Executive from the Nuclear Fuels Complex, Bhabha Atomic Research Centre, India. Drawn to the teachings of Lord Krishna in the Bhagavad Gita, he viewed it as a treatise on the physics of energy and the cosmic laws that govern our Universe. He has travelled across India, visiting most of the places connected with his subject's life. He has also compiled and edited Swami Ramakrishna Brahmananda's Sree Maha Bhagavatam in English.

Users Review
