### **Editorial Review**

From the Publisher

This terrific, little handy reference has step-by-step, illustrated instructions for every conceivable scuba diving first aid situation. It easily fits into a BCD vest or dive bag pocket for quick accessibility. Sturdy, waterproof construction--including a spiral binding and plastic pages--makes this a perfect guide when you need it most: in the water! The diagrams are easy to follow and tabbed pages allow for quick indexing. Very professional. A+. Appropriate for novices, intermediate and advanced divers alike.

About the Author

Dan Orr is Chief Operating Officer for Divers Alert Network (DAN). He is the winner of many national diving safety and educational awards for his contributions in the use of emergency oxygen for diving injuries. Bill Clendenen is Vice President of Training for DAN. He is a former Emergency Medical Technician (EMT) and has served on many national and international first aid advisory committees.
