New Testament Words (The William Barclay Library) By William Barclay

Greek is one of the richest of all languages, with an unrivaled power to express different shades of meaning. In this book, William Barclay examines many of the key words of the Greek New Testament, explaining what these words meant to the writers of the New Testament and to those who read and heard their message for the first time.

The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.

Editorial Review

Review

'I should like to think of this book as an attempt to make the results of linguistic scholarship available for the ordinary reader of the New Testament. It is my hope and my prayer that it may do something to make the New Testament more meaningful for at least some than it was before.' - William Barclay

About the Author

William Barclay (1907-1978) is known and loved by millions worldwide as one of the greatest Christian teachers of modern times. His insights into the New Testament, combined with his vibrant writing style, have delighted and enlightened readers of all ages for over half a century. He served for most of his life as Professor of Divinity at the University of Glasgow, and wrote more than fifty books--most of which are still in print today. His most popular work, the *Daily Study Bible*, has been translated into over a dozen languages and has sold more than ten million copies around the world.

Users Review
